Any shareholder duly entitled (those who have shares entered on the relevant record date, being June 10, 2023) have the right to attend and vote at the 2023 Shareholders' Meeting.

For shareholders' holding their shares as CDIs, they must <u>appoint themselves as a proxy</u> through Computershare in order to attend and vote at the meeting. CDI holders need to complete and return the form to Computershare by no later than 11:00 (BST) on June 9, 2023 so Computershare can arrange their attendance at the meeting on their behalf.

Shareholders can also appoint a proxy to attend the Shareholders' Meeting on their behalf by completing the relevant section of the Attendance, Proxy and Remote Vote card. For this action to be valid, it must be accepted by the proxy holder.

Attendance, Proxy and Remote Vote cards for shareholders will be issued by the institutions with which their shares are deposited, and for CDI holders, they will be issued by the Company to the addresses of the CDI holders, as they appear on the Company's share register book.

Attendance, Proxy and Remote Vote cards will also be available on the Company's website (<u>www.iairgroup.com</u>) in Spanish.
